

**3T Ranch** is proud to offer exclusive private hunting trips on our working cattle ranch in the beautiful Black Hills of Wyoming. Our area provides exceptional Elk, Mule Deer, White Tail Deer, Pronghorn (Antelope), and Turkey hunting.

### **Location**

We are located in Northeast Wyoming in between the small towns of Upton and Sundance. Our ranch will provide you with the opportunity to hunt across several different habitat types of the Black Hills. You will be hunting from hay meadows to the dark timber on our private ranch. Hunting lands include about 3,400 total acres of private land as well as restricted access state and forest lands. Our average elevation range is 5,000-4,800ft.

### **Accommodations & Meals**

Hunters accommodations include a private 3 bed 1 bath Ranch House with kitchen and living room, comfortably holds hunting groups of 2-5. We will provide all bed linen, towels and kitchen essentials. Hunters will be provided full service meals during their stay, including home cooked breakfast lunch and dinner. Take a look at the 3T Ranch Blog for some of the delicious recipes hunters will be provided. Non-alcoholic beverages are included with meals.

### **Arrivals and Departures**

Please plan to arrive after 2PM the day of your hunt and depart by noon on your last day. We will have a brief orientation about the ranch and hunt after dinner on the day of your arrival.

### **Hunt Options**

Pricing is for self-guided hunts. We will provide a overview with hunters of the lands along with recent game activity then hunters are free to hunt by themselves.

We also offer fully guided hunting options on our ranch through Wyoming Trophy Outfitters – [wytrophy.com](http://wytrophy.com) Please contact us for details and pricing.

### **Payment**

50 % non-refundable deposit is due at the time of booking to guarantee your spot. The rest of the balance is due upon arrival. Please note in the notes section during payment which days you would like to come. If you are unsuccessful in drawing a license for the species reserved your hunt for, the deposit will be applied to the following year until a license is drawn.

### **Other Terms**

Copy of the hunting license must be provided to 3T Ranch before any hunt.

Rifles with suppressors are HIGHLY encouraged. This greatly increases the chances of success for all hunters as big game won't scatter nearly as much with suppressed rifle fire.

All hunters must comply with all Wyoming hunting hours and regulations, wounded animals must be tracked and found, multiple or reckless kills will not be tolerated.

Each hunt reservation is exclusive, no other hunters for any species will be hunting on the ranch during your hunt.

Hunters are responsible for retrieval, cleaning and processing their game unless prior arrangements or fully guided trips are made. Costs are per hunter.
